1	Reset	SW	B3F tactile push button switch
1	Q1	TRAN	PN2222 NPN transistor
1	U3	IC	ESP8266
1	U5	Sensor	PIR Motion Sensor (JST)
2	LCD and Keypad	Headers	8-pin connector
1	Motion Sensor?	Headers	3-pin connector

"not free" means you have to buy it "free sample" means you have to order it

"Cabinet means in one of the six black cabinets in professsor's office (bring a print out of your SCH")

"Valvano" means ask Valvano, quantity and style will vary (bring a print out of your SCH circuit)

"Box means in box in your Bard's office (bring a print out of your SCH circuit)

\$20.39
